To My Luciferians Of Evil And Sin, Repent Now Oh Evildoer!

“To My Luciferian crowd: I see what you do, and I Am displeased— setting up global empires of sin in My world. Boiling with anger and rage, you shall endure My wrath forever, Oh evil Luciferian and Satanist! For I see what you do and I Am highly displeased, even boiling with anger and rage against you, Oh Globalists of sin! For you are setting up My Man of Sin, and doing all you can to erect My Antichrist of evil, Oh wicked Satanist and wicked Luciferians of evil. For I see all you do, constructing world empires of globalism, wicked groups destined to control My people, and to destroy them if possible, for they are the End-Time Christians, My people who I protect from your ravages. For you shall be no more, Oh wicked Satanists and wicked Luciferian of evil, for I shall whisk you away suddenly to your eternal damnation in the middle of the night, and no one can stop Me, says the Living

God! So repent while you can before Me, Oh wicked Luciferian and wicked Satanist of evil, for I see all you do, and I Am highly displeased, and will plunge your wicked, wicked soul of evil into My Lake of Fire forever, says the Living God. Repent now, Oh evildoer of sin, amen! Amen and amen forever!"
